

Abbey Church Events was founded by the abbot and monks of Saint Martin's Abbey in 1980, the year in which Benedictines the world over celebrated their sesquimillennial anniversary. The Abbey has since marked the 125th anniversary of its founding in Lacey, Washington, and Abbey Church Events has celebrated its 40th anniversary.

Part of a centuries-old Benedictine tradition of nurturing the arts and learning, Abbey Church Events is an annual concert and lecture series which has presented more than one hundred fifty scholarly lectures and classical music concerts by some of the most luminous scholars and artists of our day. Some of our Abbey Church Events artists also present master classes or public lectures at Saint Martin's University while guests of the Abbey.

Although Abbey Church Events lectures and concerts are offered to the public free of charge, a freewill donation in support of the series is suggested. The series is underwritten by the interest on a small endowment established by the Benedictine monks of Saint Martin's Abbey; by freewill donations; by bequests; and by occasional grants and matching gifts. The Abbot Gerald R. Desmond Lectures receive support from a bequest of Lou Waynick Beck.

During this season, we are especially grateful for the continued support of Olympia Federal Savings; support from friends of Abbey Church Events; and for special assistance from our Saint Martin's University students.
